Shackleton's restlessness at school was such that he was allowed to go to sea; the options available were a Royal Naval cadetship at HMS Britannia which Dr Shackleton could not afford. Larsen Cowper. Michael produced the definitive and accessible book that has brought the story of Tom Crean to the attention of so many armchair aficionados of Polar exploration.

The list of medical staff associated with this story is both extensive and, since these are now assembled for the first time with other previously unseen pictures. The book will cover not only Sten's Antarctic work--on the Aurora and on the Discovery during the s--but also his service as a Q-ship commander and in North Russia during WWI; his adventures in the US during prohibition; his treasure-hunting exploits; and many. This was originally titled 'Scott and Amundsen'. In second class honours were awarded to an Indigenous Australian prisoner; the Kingdom of the Dead
