Associate Rabin Martin. Hamburga physician, educator, and scientist with a public health background, became president in intending to mobilize the best scientific and scholarly talent and thinking on "prevention of rotten outcomes" - from early childhood to international relations. Gastprofessor, University of Goettingen

AlthoughChinaistestingthewatersintheseecurityfield,37andhasbuiltaan Without Chinese loans and equity financing provided through the BRI, Russia would have been unlikely to complete this project, which Putin views as one of his strategic priorities. But the key point is that, no matter how different Russia might have been from other European states in the character of its internal regime and on this matter, too, there is a lively historical debateits foreign policy was driven Russia after the Fall (Carnegie Endowment Series) the same goals as the great powers of Europe—control of territory, resources, and trade routes; defensible borders and geopolitical advantage; and dynastic prestige—and its behavior abroad differed little from that of those powers in the pragmatic, nonideological pursuit of its national interests. The press is free, and the political system is open; opposing parties compete fiercely in elections and regularly alternate power peacefully.
