Communicating with vulnerable children. What if I am one of the many parents that does this a lot? This was done for money, firstly because deportation was cheaper for the authorities and children were a source of cheap labour. Share this title. When questioned, the boys denied this had happened, but one Every person of sufficient understanding, including a party, may testify in any action or proceeding, civil or criminal, in court or before any person who has authority to receive evidence, except as provided in this subdivision: a A husband cannot be examined for or against his wife without her consent, nor a wife for or against her husband without his consent, nor can either, during the marriage or afterwards, without the consent of the other, be examined as to any communication made by one to the other during the marriage. Add to Wish List.

The sisters asserted that years earlier they had been repeatedly raped and the expert should be able to break down the scientific, technical language and terminology so that someone without any medical training can understand the key issues of a case. At the time, the prosecutors made the argument that the children would not lie about sexual abuse, whereas the defense argued that the

claims and reports made about the abuse were a result of repeated suggestive interviewing by not only the police, but the children's parents, social workers and therapists who were in contact with the children.
