English Available from another library. Currently Mr. Languages Add links. CaputoProfessorB. Buy options. Despite such legislative progress, women are fully dependent on the guards for basic necessities and privileges, and in many states, guards have access to inmates' personal history files which can empower them to threaten prisoners' children if the women retaliate. But for girls, the remedy wasn't quite so clear. Huntsville Unit. Mood disorders, such as depression or anxiety, are seen to be more common among women than men.
