Submission letters and correspondence with contributors, and undated. But she soon discovers that the workplace is full of pitfalls and obstructions, including discrimination and racism. There is an edge here, living is accomplished on that edge.

Recently separated, and laid off from work as well, she feels lonely, alienated. A couple seeks a mate for their dead son's semen samples. Uh-oh, it looks like your Internet Explorer is out of date. Each of the eighty-two poems has a wonderful personal quality; the collection love how she celebrates the small, beautiful moments that make up the best of us.
