Having a digital mentor, or an array of mentors from disparate locations around the world, can be a valuable resource [ 23 ]. You can have a classroom-style discussion, you can hire someone like Zachary to host a "mentoring bootcamp," you can speak to mentors and mentees separately and then bring them together to discuss, or you can go to lunch.

Finally, while local mentors remain important for navigating institution- The success of the Mentor Everywhere program relied on interactive participation and collaboration by both the mentee and the mentor. But mentoring software removes this issue by automating the mundane tasks. It's more than lunch. Research shows mentors play a vital role in the success of children and young adults. St.
