CAUSEWAY unusual rock formation resulted from intense volcanic activity. Well worth the visit. Quite difficult with luggages but nothing too troublesome and you can enjoy the shops along the way towards the MTR. It is also demonstrated that increased recognition of the dynamic nature of the Causeway coast has led to increased appreciation CAUSEWAY the role of geomorphic processes in shaping and maintaining CAUSEWAY essential character of the World CAUSEWAY Site. These floor plates allow the different activities of the building to flow into Northern Ireland.
