Forgot your username? In April, Dickens found himself on a mail boat steaming from Louisville to St. Specifically, the book spends time discussing in detail the number of states that defaulted on their "state" debt during the business depression and how that affected the United State's relationship with Britain.

The door was still tight shut, however; the same cold, cheerless air prevailed. Alasdair Roberts has written a concise and commendably readable book that shows clearly and well just how devastating the Panic of was for the United States. The majority of pages are undamaged with minimal creasing or tearing, minimal pencil underlining of text, no highlighting of text, no writing in margins. If you are not strong in your 19th century U. Note on Method and Acknowledgments. The laborer found less employ and still less pay, then .
