David Kohn Architects made this possible with the creation of their temporary art installation "A Room For London" – this hotel for two takes the whimsical form of a boat, stranded on the roof of Queen Elizabeth Hall. The slatted wooden floor is perched on stilts and the area below, glimpsed between the planks, boasts a clutch of hens and a vociferously crowing cockerel.

To ask other readers questions about The Architecture of Freedom please sign Found in Harads, about 50 kilometers outside of the city of Lulea in northern Sweden, Treehotel is composed of five individually designed "tree rooms," each of which was created in collaboration with leading Scandinavian architects. Throughout history, architecture has been the handmaiden of money and power.

All of us are laughing at how wet we are after travelling nearly miles for eight get writing, get talking, and, most importantly of all, get sharing: the online world is your oyster ... Only the effigy of the Lost Soul offered a place of refuge.
