Deluermoz, ;Bantignyp. It focuses on the development of the literature of France. There's a problem loading this menu right. It focuses on the representation of Italian and local characters, placing particular attention on the portrayal of the detective and his sidekick, as well as female characters. I pay particular attention to the most widespread of these traditions, which was the dramatization of the crusades derived from Spanish romances during Christian feast days, commonly known as moros y cristianos or in the Philippines moro-moro.
