You are expected to write a report and a brief essay in Dutch or English and submit these to Sven Meeder s. Idols in the east : European representations of Islam and the Orient, NewYork:ManchesterUniversityPress. By considering the production and reception of The Travels, this collection lays the groundwork for new histories of world literature written from the perspective of cultural, economic, and linguistic exchange, rather than conquest and conflict. The organisation is in the hands of the medievalists of Radboud University. These writers argue that Marco Polo's experiences along the Silk Road should instead be considered a fertile interaction of cultural exchange.
