When completed, this project had employed over youth along with 40 historians, 40 artists, hundreds of historical witnesses and thousands of residents involved in the production of a half-mile narrative The Mural. In a country that was mostly illiterate, murals were constant reminders of the validity of the struggle, and for over 20 years was the vehicle to educate a nation of its history and culture, its ancestry and purpose. We are super clean, tidy and efficient at our work, we always bring protection for any surrounding areas The Mural will be working in, and take time to prepare and clean our working environment before and after use!
