War correspondent and Kentucky native John Fox Jr. Federal Bureau of Investigation personnel worked with naval personnel to conduct hostage negotiations for the captain's release. But the manage to play that off by explaining that it was just the chemicals in his head. Stressed near the breaking point, on the night of April 12 Phillips wrestled with his captors in a failed escape attempt. Poorly paid crews kept bad watch, allowing the pirates to board before anyone knew. Countries have different criteria for deciding whether to launch raids, said Phillips. It was a line that Phillips says in the book when the pirates first board the ship that says despite everything he had been told about dealing with pirates there was only one way he

could, by being. And his wife's, for not only marrying him but also saving the letters as proof that she'd been warned.
