Students pursue a topic of their own definition. This is not my intention, as I know there are many compelling reasons why art therapists have difficulty making their own art in a consistent way over time. Check your inbox or spam folder to confirm your subscription.

StartYourFreeMonth.Weneverseeanythingcompletely.The artist aspect of our identity is neither downplayed nor venerated, but instead provides the constellating force that informs practice. It is what we have to offer that is distinctive.
