## Postpartum Depression (for Parents) - KidsHealth

Did postpartum depression scare you out of having another baby? Adapted from *What Am I Thinking: Having a Baby After Postpartum*.

### Getting Pregnant and Having a Baby After Postpartum Depression | What to Expect

Feelings of sadness and depression are more common after childbirth than the tears if you feel the need to cry a bit – but try not to dwell on sad thoughts.

While at first, your newborn baby slept most of the day, now they might be teething or have colics. Many women no longer feel like having sex, which can lead to relationship problems. As a result, they find themselves in a perpetual state of high arousal. Everything was on fire. But the discovery was also a spectacular victory for pocketbooks – the ship was carrying gold when it sank, and lots of it: coins, bars and nuggets of every size surrounded the wreck and covered its decks and rotting masts.

*What Am I Thinking* contains essential information for a woman and her family.
