Suddenly, though, Theo's life changes. Here he was, stuck behind enemy lines with a bunch of cyber-uplifted rats and bats. DaveFreerEricFlintSeptember1, Eric Flint is a modern master of alternate-history fiction, with more than three million books in print. There was no light, but he'd done enough globe changes in total darkness to manage to fix that, a lot faster than soldiers had once been able to fieldstrip their rifles. Rats all, what could a veteran grunt know about fighting Maggots? IndustryReviews".SeeAllCustomerReviews.With oodles of humor, action, and a smidge of interplanetary intrigue, Ra I picked this book up used, for pennies, knowing nothing about the authors. Maggots might have keen hearing, feelers and scent sensors, but were plainly blind to infrared.
