You're the one I need. Knowing just a small detail of anatomy can really take the embarrassment out of a problem when explaining things. I'm surrounded by water And I'm not going back again I got my toes in the water, ass in the sand Not a worry in the world, a cold beer in my hand Life is good today. Its. Above the testes is a firm tube that carries your sperm from the epididymis via the prostate which lies near your bladder, so it goes a long way eventually out through your urethra to come out in the hole in the tip of your penis yep, the meatus – well remembered. I had no idea who they were, but I liked their sound.

We oft gaze in awe and talk excitedly about the nose-tingling, fungus-coat wait No I get it, girl I'm with it I've been down this road before and yeah I skidded but forget it damn, damn I wonder why I never learned my lesson It's feeling like a second chance And it's the first impression And I heard it's nothing new except for someone new But how are you supposed to find the one When anyone will come with you Talking to myself but I never listen Cuz man it's been a while and I swear that this one's Different That's why I'm gonna take you anywhere you wanna go Let you meet my friends so they can lecture me again About how reckless I have been and I'm slowly running Out of all the time that I invested Making all the same Mistakes and I'm just trying to correct it and I fall I swear I always fall for your type [yeah] For your type Tell me why I always fall for your type [ohhohh] For your type I just can' explain this

shit at all [x4] I believe in people like you.
